coverage

Websites  
Apps  
Newsletters

## Project Uniqueness

- First **large-scale** and **systematic** movement to promote quality of end-of-life care
- **Multi-disciplinary, multi-district, multi-institutional** and **cross-sector** collaboration

## Project Impact

- Development of evidence to inform best practice by testing multiple service models
- Provide useful reference for policy development on end-of-life care in Hong Kong

Together we help patients to live with **dignity** and **peace** with their loved ones in their final phase of life.

Thank you!
