

Ms. Brenda Koo

Registered Social Worker

Brenda Koo Wing Sze R.S.W., C.T., B.S.W., M.Soc.Sc.: has been a registered social worker since 1997, an ADEC certified Thanatologist since 2004. From 1997-2010, she worked with the end-of-life patients and the bereaved persons in a local NGO. She has started her private practice since 2012. In her clinical practice, she is particularly experienced in working with children who encounter the death of a loved one. Besides, Brenda has conducted numerous training for different local governmental departments, NGOs, schools and hospitals over the years. She has offered continuing education to the professionals on life and death education, end-of-life and bereavement care in the community since 2012.
