

Ms Faye Chan

Nursing Consultant (Thanatology)

Capacity Building and Education Programmes on End-of-Life Care

CUHK Jockey Club Institute of Ageing

Biography

Ms. Chan is one of the professional trainers for the Capacity Building and Education Program in End-of-Life Care, CUHK Jockey Club Institute of Ageing. She is one of the pioneers promoting life and death education when little was known to the Hong Kong community about the topic. She has extensive experience in the field of death, dying and bereavement, and has received a Fellow in Thanatology.

Faye is a Senior Lecturer teaching nursing related courses. She is an experienced clinician and nurse educator. Faye had practiced clinical nursing in Canada, US and Hong Kong. She had managerial and executive experience in healthcare/NGO settings as well as program development experience. She has taught courses in clinical nursing, Post-graduate Diploma in End-of-Life Care, and master level in death, dying and bereavement.
