

Dr Guo Ping

Project Manager and Research Associate,
C-CHANGE Project, Cicely Saunders Institute King's College London

Dr Guo Ping is Project Manager and Research Associate for C-CHANGE at the Cicely Saunders Institute King's College London. She is a member of Palliative Care Research Society (PCRS) UK. The C-CHANGE project she is currently working on is a programme of research developing complexity assessment, measuring outcomes and resource utilisation to determine the effectiveness and cost-effectiveness in different models of palliative care.
