Our Focus

- As death is relational issue, we focus on family relationship and restoration with loved one
- To have quality of care to patients and caregivers, we provide intensive psychosocial, tangible support and spiritual support
- To have meaningful of life, we bring happy moments to patients and their families, reduce the sick role and support patients to settle unfinished business
- To have better preparation on death issue, we support family to discuss the ACP and get the consent on funeral navigation

Our Team

- 1 Social Worker
- 3 Young Caregiving Officers

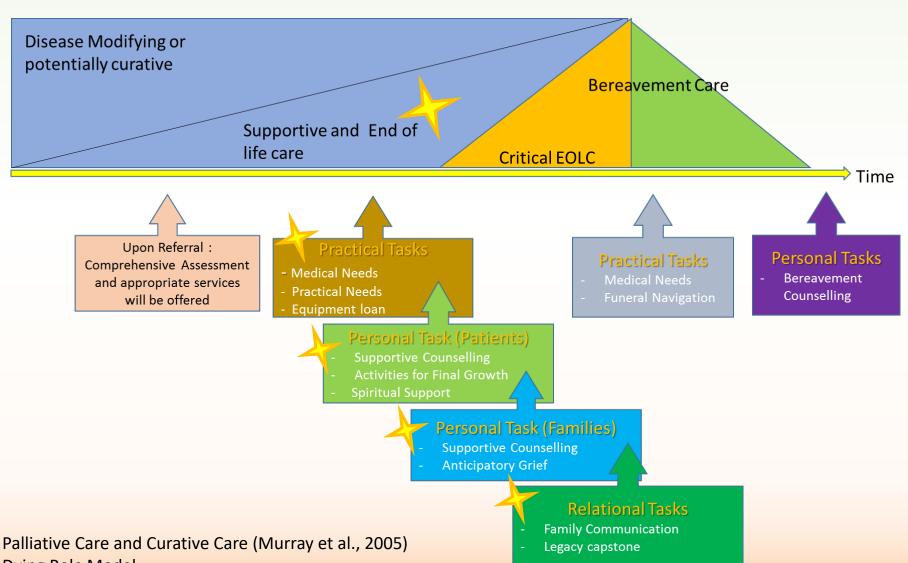

49 Cheering Practitioners

1 Clerical Assistant

Support patients return home

Stage 2
Support
caregivers to
enjoy family
lives with

patient

Stage 3
Support quality of life@Home
Psychosocial and relational support

Stage 4
Support facing
to death

Stage 5
Support coping the loss

Enhance the quality of Life CheerUp activities

Using Humor: Cheer Up activities

The acceptability of Humor between palliative care patients and health care providers (Julia Ridley 2014)

I laugh sometimes even when I am in pain. Sometimes people think I am crazy... for finding humor when I am sick

Participant's comment

永遠懷念妳的笑容~

妳的女兒

每次相約 DoDo,她都會急不及待分享這星期發生的生活趣聞,之 少不免有「蝦碌」笑料。她總是笑得非常開懷,自嘲「大事精明,小事、 塗」。正因為 DoDo 樂天、不計較的性格,與 DoDo 的相處總是帶著歡 笑在裡頭。與 DoDo 相處期間,她曾送我一棵植物,象徵要勇於面對挑戰 和困難,相信自己的能力。現時這棵植物陪伴著我工作,給予我勇氣。

DoDo, 感謝你為我們帶來歡樂的回憶, 感謝你在這段時間與我分享的一切、關懷和愛護!

聖雅各福群會「安·好」居家寧養服務 社區照顧主任 Shirley 陳秀玲

這是 DODO 第一件分享的生活趣事。

早上 DoDo 梳洗時,發現廁所內的光管損壞了。她不想 女兒掛心,便快快到附近電器雜貨店購買新光管,回家安裝。完成後,她自豪地跟女兒 Whatsapp 報告,還拍下照 片見證自己輝煌一刻。她期待著女兒回家欣賞。

話說回頭, DoDo 在雜貨店見到林林總總的光管,當然有點花多眼亂。她定定心神後,心裡懷著一個購物原則:「愈有名氣,愈耐用」。最後,她精挑細選一個著名日本品牌的光管,還一口氣買下兩支光管以備不時之需。
