

THE UNIVERSITY OF HONG KONG
FACULTY OF SOCIAL SCIENCES
Jockey Club End-of-Life Community Care Project

Workshop on
Using the Integrated Palliative care Outcomes Scale (IPOS) in research and practice

Date: May 9, 2019 (Thursday)
Time: 9:00am – 1:00pm
Venue: Social Sciences Function Room, 11/F, The Jockey Club Tower, Centennial Campus, HK
Speakers: Professor Richard Harding and Dr. Guo Ping

Time	Event
08:45 - 09:00	Registration
09:00 - 09:15	Welcome and introduction
09:15 - 10:15	<p>Session 1: Overview of the rationale, role and importance of using patient reported outcome measures (PROMs) in palliative care</p> <ul style="list-style-type: none"> • What is an outcome measure and what is a good outcome measure? • Raise awareness of importance and benefits of measuring outcomes in clinical practice and research • Science underpinning outcome measurement in palliative care • Development of POS family of measures • Questions and discussion
10:15 - 10:30	Coffee break
10:30 - 11:30	<p>Session 2: Validation of the Integrated Palliative care Outcome Scale (IPOS)</p> <ul style="list-style-type: none"> • What is the IPOS and guidance for collecting and analysing IPOS • Psychometric validation • Latest IPOS validation studies: achievements and challenges • Questions and discussion
11:30 - 11.45	Coffee break
11:45 - 12:45	<p>Session 3: Implementation of IPOS in clinical practice and research</p> <p>Through group discussion, we seek to facilitate collaborative planning to answer the following questions:</p> <ol style="list-style-type: none"> (1) How would you like IPOS to be used in your setting? e.g., clinical & research; (2) What needs to happen to support you? What do you need to implement outcome measures routinely? <ul style="list-style-type: none"> - Facilitators & barriers - What can be set up to ensure continual capture and use of data? (3) How will the data drive quality improvement? (4) What are roles of academia and clinical service?
12:45 - 13:00	Capacity building and conclusions
