

**Ms Chan Nga Chee, Tristan**

UK Registered Art Psychotherapist, BAAT Recognised Clinical Supervisor

Tristan Chan qualified as an Art Psychotherapist at Northern Programme of Art Psychotherapy Practice. She is a recognised supervisor and a professional member of BAAT, and is registered with the Health and Care Professional Council in the UK. She is experienced in working with children and adolescents with severe mental health issues and special education needs. Currently, she is supporting people affected by cancer in community setting on both cancer adjustment and bereavement issues. She has the title 'Certified In Thanatology' from Association for Death Education and Counselling (USA). Tristan has participated in different research projects and presented in local and international conferences. She is a professional member and the former vice president of HKAAT, and the writer of 'Embracing Imperfect: Art Therapist in the Wild' 擁抱不完美：野生藝術治療師.
