

Ms Lucy Shuk-Ha Lee

Registered Family and Systemic Psychotherapist, United Kingdom Council for
Psychotherapy UKCP
Registered Social Worker, Hong Kong
Expert Trainer, JCECC Project

Ms Lee has committed in family work and attained her master in Family Counseling and Family Education at The Chinese University of Hong Kong. Later she moved to the UK and completed her Postgraduate Certificate in Child Focused Systemic Practice at Institution of Family Therapy (UK) and Master in Family Therapy from King's College London. She is now a Registered Family and Systemic Psychotherapist with United Kingdom Council for Psychotherapy UKCP.

At the time when she was in the UK, she worked at St Joseph's Hospice in London to provide Psycho-social support and bereavement counselling to patients and their family in end-of-life care. Later, she took on both clinical and teaching role at the National Health Services practicing Family Therapy with mental health patients and teaching medical students the application of Family Therapy ideas in communicating with patients and their family.
