

Mr Andy Sim

Principal Medical Social Worker, Medical Social Services
Singapore General Hospital

Andy is a Principal Medical Social Worker with the Department of Medical Social Services in Singapore General Hospital (SGH). He is a social work practitioner, educator and supervisor, and currently co-leads the advance care planning (ACP) team in the hospital. He also co-leads three national-level Community of Practice (CoP) groups in Singapore—Renal Social Worker, Grief and Bereavement and Advance Care Planning. He has served as member in several National ACP Office committees such as the Training and Curriculum Committee, ACP Expert Panel, Outpatient Implementation workgroup and the inaugural ACP Week workgroup.

Andy holds a Masters of Social Work degree from New York University (NYU), USA and is a Fellow of the Zelda Foster Studies Program in Palliative and End-of-Life Care and Leadership Programme in NYU. He is also a Certified Thanatologist, ADEC, USA. His clinical interest lies in palliative and end-of-life care social work, renal social work, healthcare communication, clinical ethics, and ACP.
